

The International Union of Pure and Applied Chemistry  
Committee on Chemistry Education (IUPAC CCE) needs a logo.

This committee coordinates the educational interests of IUPAC bodies with activities worldwide. Its roles include the monitoring of chemistry education activities throughout the world, and disseminating information relating to chemical education, including the public appreciation of chemistry.

We invite students to design a logo that reflects the work of this committee.

Submissions should be made (as a pdf or gif file) to Suzanne Boniface.  
suzanne.boniface@vuw.ac.nz and include:

- Your name, school (university) name, grade or year, and country
- 50-100 words describing the concept of the design

The competition closes on 30 June 2014  
\$100 (USD) prize
